We are part of your community. Floresville is our home and has always been our home. For over 50 years, our neighbors have put their trust in us during their most difficult times. Losing a loved one is a painful, traumatic experience. You can depend on us to support and guide you with compassion and understanding. If you are arranging the funeral or cremation for a loved one, selecting a monument to serve as a lasting tribute, or pre-arranging your own funeral, trust in us ... we’re your neighbors.

A nurse practitioner-owned pediatric clinic that has served Pleasanton and the surrounding area since 2004. Through a team of Certified Nurse Practitioners and support staff, we provide quality care for our patients from birth to 21 years of age. We are dedicated to providing the best care during times of acute illness and normal stages of growth and development. We care about every child, which is why we take the time to get to know each of our patients very well.
